David Biderman, Executive Director/CEO of the Solid Waste Association of North America (SWANA) . SWANA is an organization of more than 8,500 public and private sector professionals within the solid waste industry. Mr. Biderman will discuss the current state of safety in the industry and share methods to be used in local solid waste organizations.

Dean Coughenour, Risk Manager for the City of Flagstaff and Director at Large (Education Co-Chair) for the Arizona Chapter of the Public Risk Management Association (PRIMA). Mr. Coughenour's presentation includes effective methods to improve employee attitudes toward safety and build sustaining results.
