To create a Swana Young Professionals Account, first navigate to the Swana National Site, www.swana.org. Once on the homepage, click on “Create a Profile”.
We are now on the “Create an Account” page. Fill out all required information, and click on “Next”.
Next, you will be searching for your institution. Type in your place of employment and click “Search”. A list populates with a variety of institutions with locations.
After selecting your institution, you will now be navigated to this page to confirm all information for your chosen institution is correct. After ensuring this, click “Next”.
On the last step, add any demographic and/or area of interest information of your choosing. After this, click on “Create Account”.
Your Swana account has been created. Note, that if you are 35 or younger, you qualify to be a Young Professional Swana Member.

Once your account has been created, information will be sent to Swana National, and once confirmed sent over to your institution. Ensure your membership dues are paid, and welcome to the Arizona Swana Chapter!
